"Finding Food That Really Satisfies"

Have you ever thought about what we really need? We are surrounded by demands for many allegedly necessary things. Many devices and conveniences that will make our lives better.

Jesus, in these passages, sees people in need in the most fundamental way. They do not need conveniences. They need simply food.

The Feeding of the 5000 is recorded in every Gospel. It is God's way of showing us what we really need. It is not many things that will make life better. It is the thing that makes life possible.

The world around us has an investment in selling us things which make their lives better. But will they make our lives better? Will these things move us in the direction of God? No! They will simply enslave us in more trivial needs.

The Food That Really Satisfies is recognized by Jesus provision of simply bread, fish and community. As we share together these simple things we begin to realize again the things that really matter. Simple needs and each other provided by our Father and Savior.

When we have these it is a call to contentment and faith in God.

Things to remember:

VBS starts Sunday night at 6:00.

It's God's Pie!

Don't forget our **5th Sunday** coming up this month. Let's really try on these 4 Sunday's to give more sacrificially and do more to help those in need and to move more quickly to get out of debt. Please pray about it and plan for it. There will be a fellowship meal following Sunday morning service.

He Sees Things Differently

It is clear that Jesus looks at things differently than men. As He entered Jerusalem His followers were cheering while He was weeping (Luke 19:41). They saw the beautiful city of Jerusalem while He saw the ugly sins of the people. They saw Him with a crown of jewels and a throne. He saw a crown of thorns and a cross. They saw the magnificent temple. He saw the sinful merchants and moneychangers.

I pray that God will open our eyes each day to see the things that are meaningful and not be blinded by the things that are not.

By: Charlie Gamble, minister for the Brunswick Church of Christ.

So then, my beloved brethren, let every man be swift to hear, slow to speak, slow to wrath: for the wrath of man does not produce the righteousness of God" (James 1: 19-20)
